

Jesus Heals Ten Lepers

Luke 17:11-19

4. Jesus _____ the _____.

5. Jesus _____ and

_____.

6. Jesus _____ the _____.

Personal and Mid-Week Study:

Luke 17:11-13; Leviticus 13:45-46

Why were these men outside the village? What is the significance of this?

Master - from the Greek 'Epistata' meaning the one in charge of all things. Why is it important these men recognize Jesus' authority over all things?

Luke 17:14-16

Why would Jesus send them to the priest rather than simply healing them and be done?

What did the one man do that the other nine did not?

How should we posture our hearts when going to God in prayer?

Luke 17:17-19; Leviticus 14:1-3

What are the social implications of these men being healed?

Why is it remarkable that the only one returned was a Samaritan?

The word Jesus uses here is 'sesōken' which has connotations of both physical and spiritual healing. What kind of healing does Jesus offer?

For Further Consideration and Application:

How does your sin sickness impact your relationship with God? How does it impact your relationship with others?

How do you show gratitude to God when He answers your prayers?

Prayer Point:

Go to the Lord in humility this week, acknowledging His ultimate authority in all things. Respond to Him in obedience. Remember to give thanks and praise when He responds to your prayers.
