

## **The Mustard Seed**

Matthew 13:31-33; Matthew 17:14-21

- 1. Little can go a long way in the Kingdom**
- 2. Little can grow when we pursue our mission together.**
- 3. What counts is not the size of our faith but the declaration of our God.**

### **Personal and Mid-Week Study:**

**Matthew 13:31-33**

Is the Kingdom really as small as a mustard seed?

How would you compare where we are as a church to where you believe we will be in 10 years time?

**2 Corinthians 4:14-16**

How does the kingdom of God grow?

Based on this passage, what actions need to be taken for grace to be extended to others?

## **Matthew 17:14-21**

What impact does our community have on our faith?

What impact does our faith have on the Kingdom?

### **For Further Consideration and Application:**

**Read Isaiah 40:4-5**

What will happen when the Kingdom is fully grown?

How will you pursue our mission of glorifying God, making disciples, and building the kingdom this week?

### **Prayer Point:**

Pray that God would increase your faith. Pray that God would increase our impact on the Kingdom and that His reign would expand through disciples being made and new believers glorifying and worshiping Him. Pray that we would grow together as a church as we pursue His mission.
