

The Rich Young Ruler

Mark 10:17-31

- 1. Our good is not good enough. (v17-22)**
- 2. Our God is God enough. (v23-27)**
- 3. The Gospel is more than enough (v28-31)**

Personal and Mid-Week Study:

Mark 10:17-22

What did the young ruler understand rightly about Jesus?

What did he understand wrongly about himself?

Mark 10:23-27

What are some things people lack that they believe would complete them if they had it?

What is the one thing in truth we lack according to Jesus?

Why is wealth such a hindrance to salvation?

Mark 10:28-31

What do we gain when we surrender to Jesus?

What do we lose when we surrender to Him?

For Further Consideration and Application:

What does daily total surrender to Jesus look like?

What are you holding back from Jesus to keep for yourself? What would it take for you to surrender it to Him?

Prayer Point:

Pray that you would hold nothing so tightly that you are unwilling to surrender it to Jesus. If there is anything that you hold onto, pray that you would surrender it to Him. Pray that you would trust completely in the Gospel and only in God's grace through Jesus for your salvation.
