### **Personal and Mid-Week Study:**

**Luke 15:1-4**

What do the Pharisees' comments say about the love they have for others?

What do the shepherd's actions say about his love for the lost sheep?

What do the shepherd's actions say about his love for the rest of the flock?

**Luke 15:5-6**

What brings Christ joy?

**Luke 15:7**

Who should celebrate when someone receives God's salvation?

### **For Further Consideration and Application:**

What is your knee-jerk response when someone is in distress?

How does that compare to how Jesus responds to people in distress?

### **Prayer Point:**

Pray for the salvation of the lost. Celebrate your salvation and the salvation of those around you. Pray that the Lord will help you to share your faith with others.
