

Acts of the Apostles: *Get Up! Living with Resurrection Power*

Week of April 27, 2025

Acts 9:32-43

Sermon Notes:

Read Acts 9:32-35

How do Acts 1:8 and previous events lead to Peter's work in Judea?

Whose faith do we see at work here?

Consider the words Peter spoke to Aeneas. How does this encounter teach us how to live in resurrection power?

Read Acts 9:36-43

Whose faith do we see at work in Joppa?

Compare and contrast Aeneas' story with Tabitha's

How do these miracles affect the people of Lydda and Joppa?

For Further Consideration and Application:

What does living in resurrection power look like in your life?

What are God sized problems that you struggle with bringing to Him because you lack the faith to see how he will move?

Prayer Prompt:

Thank God for the gift of resurrection power that is alive in us through the Holy Spirit. Pray for faith like Peter and embrace the call to serve and bring healing to those around us. Ask for wisdom to see "God-sized problems" as opportunities for faith rather than roadblocks for ministry.
