**Prayer Prompt:**

Pray that God will give you discernment and boldness to lovingly call out wrong beliefs and stand firm in the true gospel. Spend some dedicated time treasuring Christ's gospel and His grace given to you this week.

**Understanding the Text**

Why did Paul call out Peter specifically as opposed to the Judaizers, Barnabas, or any other Jewish believer in Antioch?

How was Christ's sacrifice being devalued by the situation in Antioch?

What does it mean to be crucified with Christ?

How do we live by faith in the flesh?

**For Further Consideration and Application**

Are there ways the church of today devalues Christ's sacrifice?

What is one thing you can do this week to treasure Christ appropriately?
