

Book of Galatians/ The Curse of the Law
Week of June 14, 2026
Galatians 3:10-18

Sermon Notes:

Prayer Prompt:

Thank God that salvation rests on His promise and Christ's finished work rather than your own efforts. Ask Him to reveal any areas where you are trusting in your performance instead of His grace, and pray for faith to rest confidently in Christ while walking in joyful obedience.

Understanding the Text

Why are those who rely on the works of the law under a curse?

How does Paul use passages from the Old Testament to show that righteousness comes by faith rather than by the law? (*List the references and explanations below.*)

What does Paul mean when he says that Christ became a curse for us?

For Further Consideration and Application

How does understanding that salvation is based on God's promise rather than our works bring assurance and freedom to the Christian life?

Since we are accepted by God through faith in Christ, how should that shape the way we approach obedience, worship, and everyday living?
