

Book of Galatians/ Freedom in Christ
Week of July 19, 2026
Galatians 5:1-15

Notes:

Prayer Prompt:

Ask the Lord to give you discernment to recognize any teaching or attitude that would lead you away from the sufficiency of Christ. Pray that He would keep His church faithful to the true gospel and united around it.

Understanding the Text

Read Gal 5:1-6

Why does Paul command believers to "stand firm" instead of assuming freedom cannot be lost or abandoned?

Read Gal 5:7-12

If false doctrine was the fruit, what does Paul suggest was the deeper spiritual problem at the root of the Judaizers' lives?

Read Gal 5:13-15

Why would Paul jump straight into the idea of serving one another after establishing our freedom found in Christ rather than some other idea?

For Further Consideration and Application

Are you more prone toward legalism or toward abusing freedom? Why?

How can you intentionally use your freedom in Christ this week to serve another believer?

Is your obedience increasingly motivated by fear, guilt, duty, or love?
